**All School Family Picnic:** The picnic is a great way to meet our staff and other Clark School families. Please bring your own dinner and a dessert to share.

\*\*\*\*Based on feedback we received from our community at large, we have decided to separate the social aspect of the picnic from the informational sessions. The informational portion has yet to be scheduled but will be on a weeknight in September. More details to come.....

### **Pirate Day:**

Students may come to school dressed in pirate garb. Argh!!!

## Saturday, September 19, 10 am-2 pm

**Family Work Day:** We require all families to come and help out around the school on work day. Jobs include yard work, staining outdoor play equipment and general upkeep. This is another opportunity to get to know the other parents at school.
